who will talk about their new book, *The
Southernization of America: A Story of Democracy in
the Balance*.**

Frye Gaillard

Pulitzer Prize-winner Cynthia Tucker and award-winning author Frye Gaillard present *The Southernization of America*, a compelling series of linked essays considering the role of the South in shaping America's current political and cultural landscape.

Tucker and Gaillard bring a multiracial perspective and years of political reporting to bear on a critical moment in American history, a time of racial reckoning and democracy under siege.
